**Lyon, 31st August 2022**

The Anglophone Section at the Cité Scolaire Internationale in Lyon, France provides a comprehensive educational programme for students from across the English-speaking world. Lyon, founded by the Romans in the 1st century BC and listed as a UNESCO World Heritage city, is located in the heart of France. It has excellent connections to the mountains, the coast and the rest of Europe and offers an exceptional quality of life. The Anglophone Section, which was established in 1987, has grown to become one of the largest in France with consistently outstanding exam results and university placements for our graduates. We recognise that our teachers are fundamental to the overall success of the Section and aim to function in a collaborative and supportive manner, strongly supporting opportunities for training and professional career development.
