The Anglophone Section Library

- How and when you can use the library.
- Behaviour in the library.
- Borrowing books, and what happens if your book is overdue / lost / damaged.

The poster is titled 'Anglophone Section Secondary Library' and features a blue header with a logo. It contains several sections of text and lists, including: 'When is the Library open?' with a list of opening hours; 'How do I return a library book?' with a list of return boxes; 'I'm in collège - can I come to the library during permanence?' with a list of rules; 'What can I do in the library?' with a list of permitted activities; 'How can I borrow books?' with a list of borrowing rules; 'What happens if I lose a book?' with instructions on what to do; and 'Help - my book is overdue!' with a list of consequences. Library books can be dropped in one of the **return boxes** in:

- The Library
- The Anglophone Teachers Book Room
- The Anglophone Office

I'm in collège - can I come to the library during permanence?

- Yes you can! You'll need to collect a **slip from the vie scolaire** first, then show it to the librarian.
- All students need to sign in when they come to the library.

What can I do in the library?

- You can... browse the books, read, study... **quietly!**
- Eating is not permitted.
- You cannot use your phone in the library.

How can I borrow books?

- Once you've chosen a book, take it to the librarian in charge and they will check it out for you.

- After this email you have 1 week to return the book to the library.
- If you don't, your parents will be contacted and asked to pay for the book to be replaced.

Please don't leave books in the classrooms as they can get lost!

University Guidance: UNIFROG

We will use **Unifrog** to help 2nde students prepare to apply to university.

Unifrog is a university guidance platform focusing on courses offered world wide in English. <https://www.unifrog.org/>

Each student has an individual and personal student account.

Parent accounts are also available: these are ‘dummy’ accounts which allow you to explore Unifrog as if you were a student.

[Video link here](#) explains how parents can sign up to Unifrog. The parent code to use is **LYOIParents50**.

NB Pease don't create any genuine student accounts: the UG advisers actively use Unifrog to track student progress and 'fake' student accounts can make this difficult.
