### Middle School

The final in The Selection series, Eadlyn still isn't sure she'll find the fairytale ending her parents did twenty years ago. But sometimes the heart has a way of surprising you...and soon Eadlyn must make a choice that feels more impossible — and more important—than she ever imagined.

The Unteachables never thought they'd find a teacher who had a worse attitude than they did. And Mr. Kermit never thought he would actually care about teaching again. Over the course of a school year, though, room 117 will experience mayhem, destruction—and maybe even a shot at redemption.

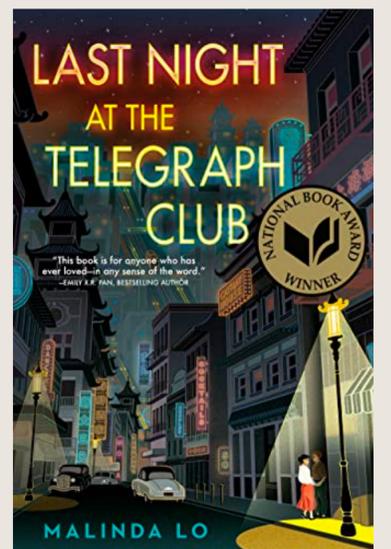

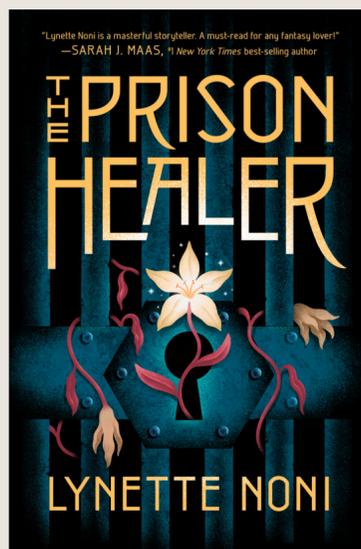

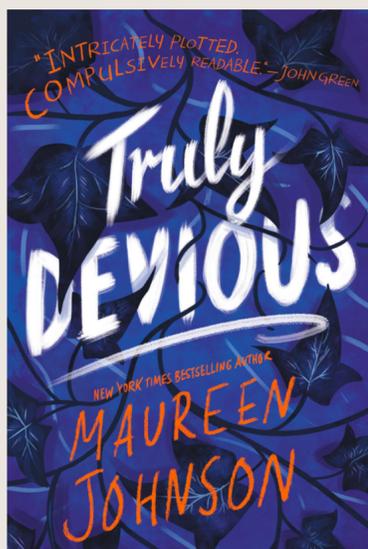

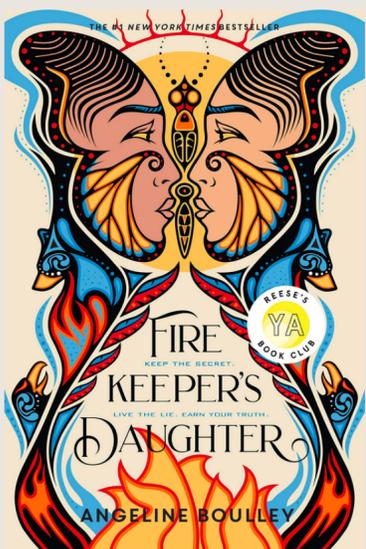

The third book in The Front Desk series.

Mia Tang is going for her dreams!

After years of hard work, Mia Tang finally gets to go on vacation with her family -- to China! A total dream come true! A contemporary fantasy about a ghost who refuses to cross over and the ferryman he falls in love with.

### High School

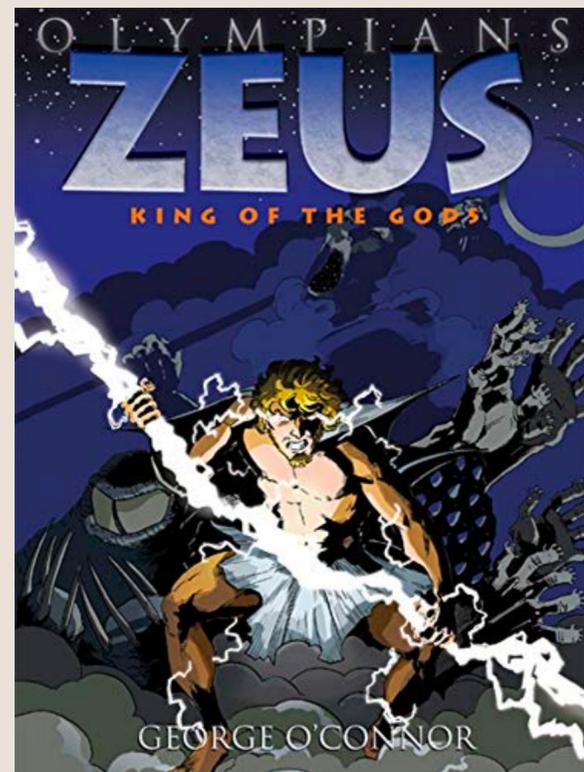

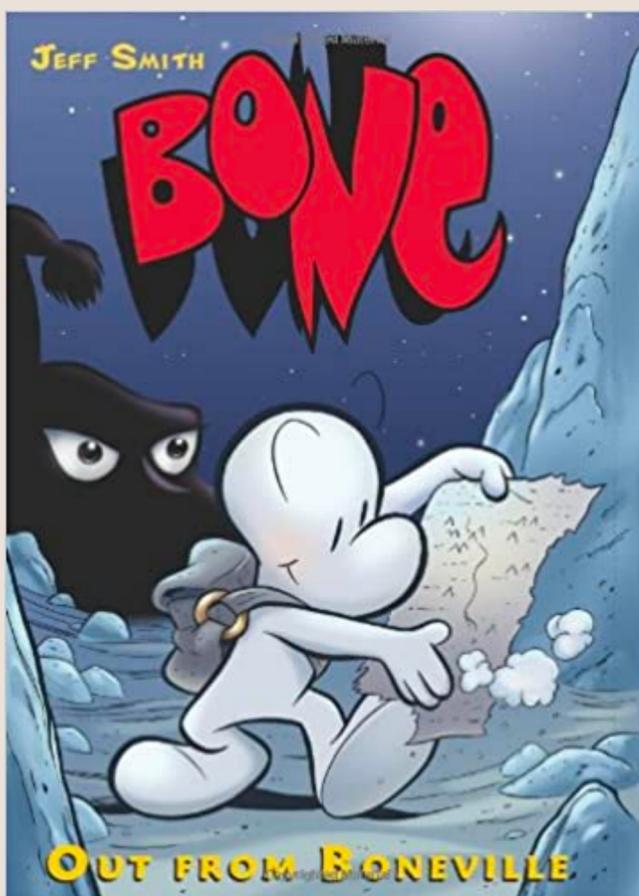

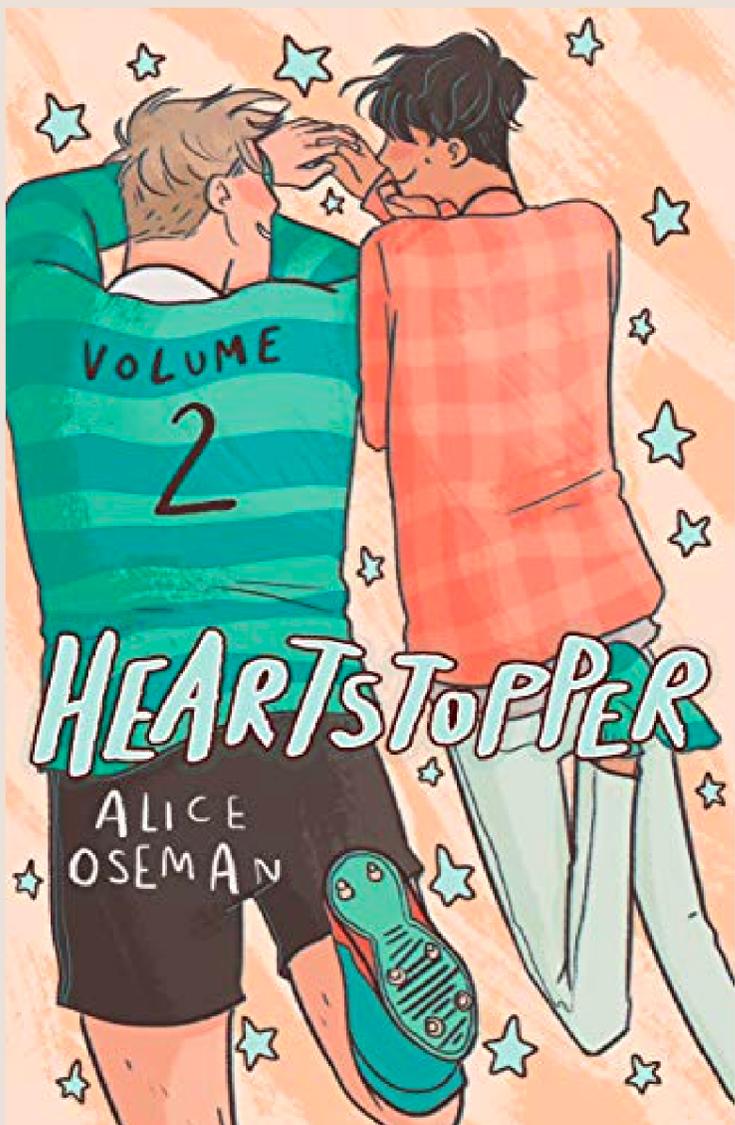

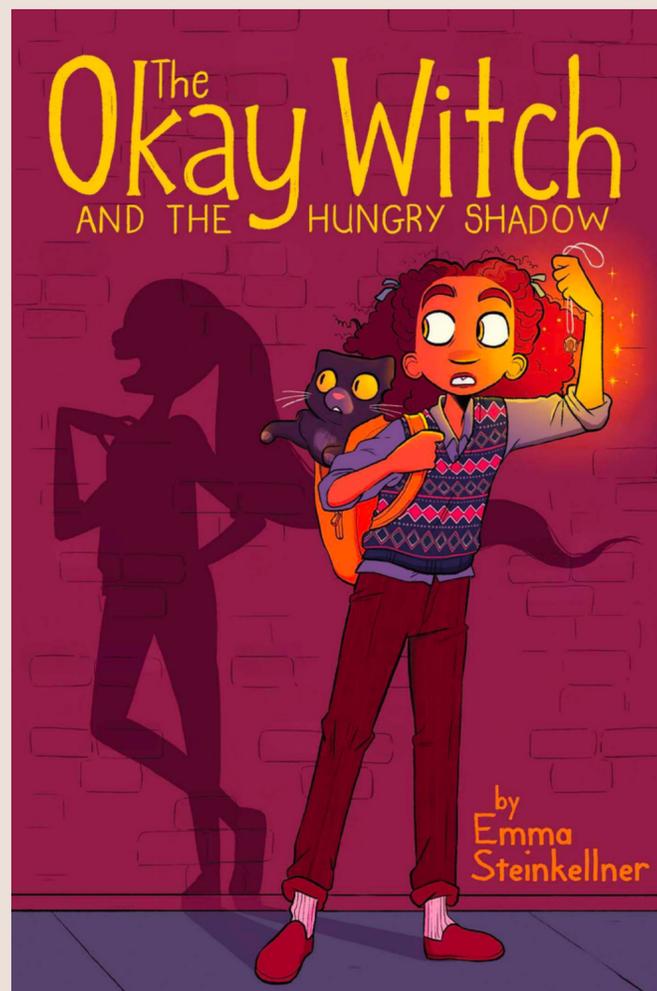

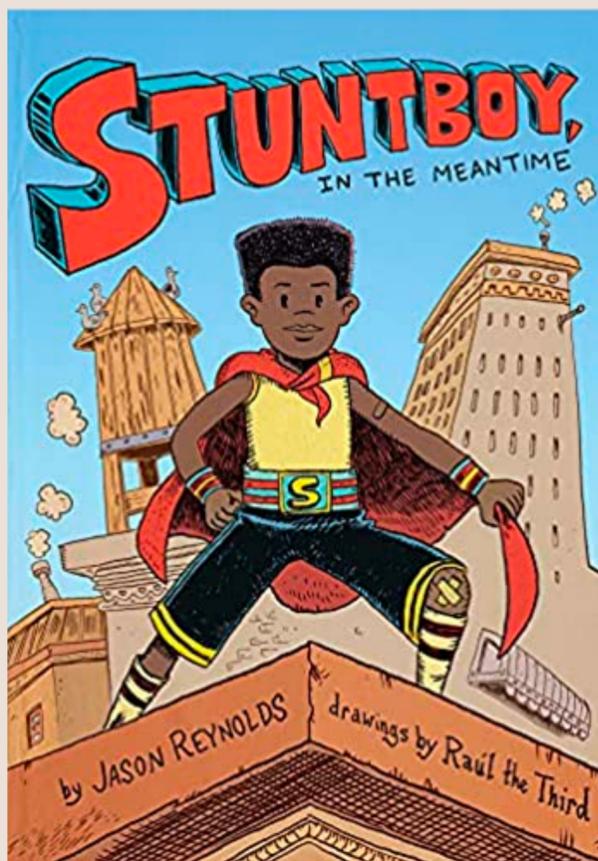

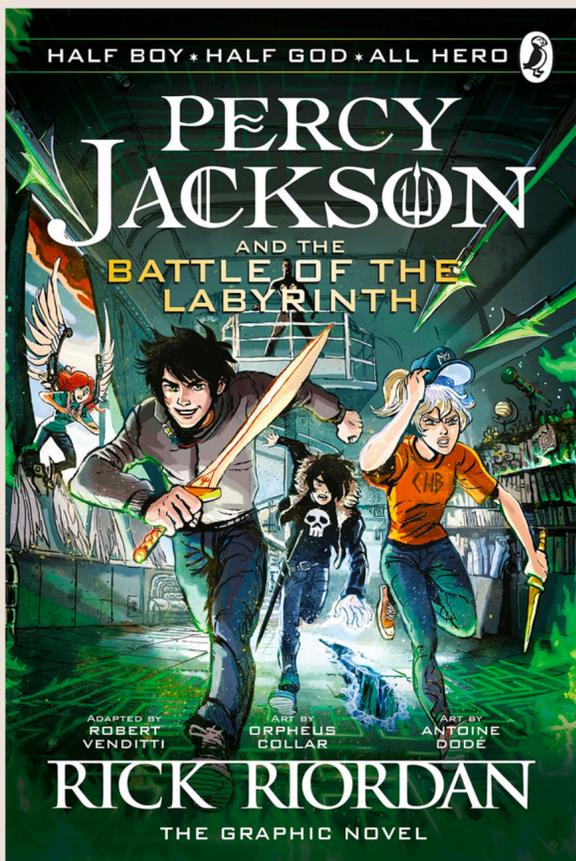

Daunis must learn what it means to be a strong Anishinaabe kwe (Ojibwe woman) and how far she'll go to protect her community, even if it tears apart the only world she's ever known.

Ellingham Academy is a famous private school in Vermont for the brightest thinkers, inventors, and artists. It was founded by Albert Ellingham, an early twentieth century tycoon, who wanted to make a wonderful place full of riddles, twisting pathways, and gardens. "A place," he said, "where learning is a game."

With an incurable plague sweeping Zalindov, a mysterious new inmate fighting for Kiva's heart, and a prison rebellion brewing, Kiva can't escape the terrible feeling that her trials have only just begun.

America in 1954 is not a safe place for two girls to fall in love, especially not in Chinatown. Red-Scare paranoia threatens everyone, including Chinese Americans like Lily. With deportation looming over her father—despite his hard-won citizenship—Lily and Kath risk everything to let their love see the light of day.
